All of our sponsor packets are created with you in mind! We are happy to mix things up if you need. It takes a small army to put on these shows and we for sure would not be here without your support!

The flags you see above are the shows that will be hosted by the WSGH Club in 2023. We would love for you to be part of one or two or all of them!

Each show will also be looking for Class Sponsorships and Arena Banner Sponsors, if you are not seeing something above that is in your budget.

As a 501c7 Club we are going to do our very best to make sure your sponsorship is known.
